The Stewards, having received a report from the Race Director, have considered the following matter and determine the following:

No / Driver 5 - Freddie Slater

Competitor Trident

Time 10:31

Session Practice

Fact Car 5 (Slater) was not able to provide a fuel sample of a minimum of 0.8 kg after the Practice Session.

Infringement Breach of Article 6.3.1 of the 2026 FIA Formula 3 Technical Regulations.

Decision Disqualification of Car 5 from the results of the Practice Session.
Removal of all times set by Car 5 in the Practice Session.
All cars originally classified behind Car 5 are moved up one place in the Practice Session classification.

Reason The Stewards received a report from the Technical Delegate (Document 10) and summoned the Driver and Team Representative (Document 12). The hearing was attended by the Team Representative.

The Technical Delegate's report indicated that they were unable to take the mandatory minimum fuel sample of 0.8kg from the Car at the end of the Practice Session. It is to be noted that Car 5 stopped on Track after completing its practice start. The Team Representative acknowledged that the minimum required fuel sample of 0.8 kg could not be taken from the Car at the end of the Practice Session. The Team Representative explained that this was due to the change in procedures during the running of the session, and that they had underestimated the fuel consumption required to run the session, VSC test and the practice start at the end of the session. Having considered the matter extensively, the Stewards acknowledge that the breach was a consequence of misjudgement. Nevertheless, the Stewards determine that the Competitor failed to comply with the requirements of Article 6.3.1 of the FIA Formula 3 Technical Regulations and accordingly decide to disqualify Car 5 from the Practice Session.

Competitors are reminded that they have the right to appeal certain decisions of the Stewards, in accordance with Article 15 of the FIA International Sporting Code and Chapter 5 of the FIA Judicial and Disciplinary Rules, within the applicable time limits.
